

Jaxon Zaleski

(765) 510-5780 | zaleskjn@mail.uc.edu | www.linkedin.com/in/jaxon-zaleski

EDUCATION

Bachelor of Science of Information Technology

August 2024-Present

University of Cincinnati, Cincinnati, OH

- GPA: 3.0

EXPERIENCE

McDonald's Crew Member

August 2023-July 2024

- Worked Part-time 5 days a week for 6 hours a day on average.
- Managed schoolwork so that it did not interfere with work and vice versa.
- Performed to the greatest extent I could offer.

PROJECTS

WebDev: Personal Portfolio

November 2024-December 2024

University of Cincinnati

- Developed a personal portfolio website https://jaxonzaleski.github.io/Personal_Portfolio
- Designed the website from scratch with nothing but VS Code and my mind using all of the skills I had learned along the way.
- Implemented compatibility with computer and mobile devices making it accessible on the go.
- Used the resources available to me to research any lines of code I needed knowledge in to solve the problems I was having.

Programming II: Invoice, tic tac toe, and battleship programs

January 2025-May 2025

University of Cincinnati

GitHub featuring my projects: <https://github.com/JaxonZaleski>

- Developed a local invoice application that calculates the prices of a customer's order and prints out a proper invoice.
- Engineered a player vs. player TicTacToe game that I have tested and confirmed that it works.
- Constructed a single-player score-based battleship game that applies computer-oriented placement of the ships.

CLUBS

Cyber@UC

2025-Present

- Attending club and lab meetings such as the general body and lab meetings.
- Participating in other unforeseen activities throughout the year that interest me, including but not limited to a speaker on cyber security.

SKILLS

- Java
- HTML
- CSS
- SQL Server
- Human Services
